Criteria for any extra places made available by the Department of Education for admission into Year 13.

The Department of Education (DE) may, on request, increase the number of pupils that the school can admit to its Year 13. Places that become available in this way shall be allocated only to pupils who meet the basic eligibility criteria for Sixth Form study (as above) and shall be allocated in the order determined by the criteria to be applied in the order set down below.

- (i) Pupils who have most recently completed Year 12 in St Patrick's Academy
- (ii) Pupils from other schools where admission to an extra place at St Patrick's Academy has been agreed by the Department of Education.*

*Parents should note how the Department of Education (DE) will, in response to a school's request, increase the school's enrolment number in order to allow an extra post-16 pupil to enrol. DE will first check whether there is another school or schools of a type suitable for that pupil within an hour's journey of where the pupil lives. If there is, DE will then check whether this other school or schools may provide all of the post-16 courses that the pupil wishes to pursue. If these checks find that no other suitable school may provide all of the post-16 courses that the pupil wishes to pursue – then DE will agree a school's request for an extra place.
